**FarMor Group Inc. Releases Book #21, *The Sun Is Still Shining*, on 11.20.2020**

Orlando, FL (**November 5, 2020**)—FarMor Group Incorporated (FGI) will release its 21<sup>st</sup> book project titled *The Sun Is Still Shining* by Emma Mae Easter on November 20, 2020.

In a time filled with uncertainty, fear, hopelessness, loss and sadness, this collection of inspirational poems and wisdom nuggets was written to give hope and encouragement to all who read it.

“With everything happening in the world today, we are truly grateful for Mrs. Easter and for the opportunity to publish her second book,” exclaims Suzette Farquharson-Morgan, president of FGI (a publishing, recording and production company in Orlando).

“This *little* book serves as a gentle reminder to the young and young at heart to pray, keep the faith, and in everything, give thanks” adds Ms. Morgan, an ordained minister and the president of FarMor Entertainment, a 501(c)(3) arts & culture organization.

In August 2010, FGI published *The Sun Never Stops Shining: Words of Wisdom* by Emma Easter. Adamant that she would not publish another book, Mrs. Easter realized that she could *not* be silent, and she would use her voice *as the pen of a skillful poet*.
