UF, UCF Grad Publishes Book #21 Through Her Local Publishing Company

Orlando, FL (**November 20, 2020**)—Suzette Farquharson-Morgan continues to make dreams come true with the release of book #21, *The Sun Is Still Shining* by Emma Mae Easter, which is published through her company, FarMor Group Inc. (FGI).

A native of Kingston, Jamaica, Ms. Morgan earned her Bachelor's in Journalism from the University of Florida in 1995 and her Master's in Communication from the University of Central Florida in 2001.

The following year, she took a leap of faith and left her supervisor position at Harcourt Education (a leading K-12 publishing house) to write her first book, which she self-published in August 2005.

"If you ask me whether starting my own company, or publishing the works of others, was something I envisioned doing as a child, I would definitely say 'no!'" exclaims Ms. Morgan, the founder of FGI (formerly known as FarMor Publishing). "Yet, I love what I do!"

To date, her S Corp has published several autobiographies, children's books, devotionals, novels and poetry collections, including her own memoir, *Living Testimonies 2*, and Mrs. Easter's first devotional, *The Sun Never Stops Shining*.

"I learned years ago that we have people assigned to us who are waiting for us to be in position," says Ms. Morgan, a Walt Disney Dreamer and Doer. "Because of the opportunities afforded me to attend UF & UCF, I believe it's important to give back and help others turn their dreams into reality."

To order this 106-page devotional (ISBN: 978-09994899-8-7, retail: 12.95), visit www.farmorgroupinc.co. *The Sun Is Still Shining* is also available on Amazon.com.
